RE: Letter of Intent for Purchase of E-Rate Related Cabling Under 962A

Southern Wake Academy intends to leverage E-Rate and NCDPI connectivity funding to purchase, contingent upon the issuance of an actual purchase order, E-Rate eligible cabling. Said equipment is listed under North Carolina Wi-Fi Contract # 962A.

The attached pricing sheet includes the cost of equipment totaling \$15,536.70.

This cabling project will support staff and student network and internet access throughout and exclusively at Southern Wake Academy's campus (BEN# 16053511). It is necessary to provide Internet connectivity throughout our four buildings.

Sincerely,
